

Product certified according to Regulation (EU) 2016/425. RISK: These gloves offer protection against Mechanical risks. Caution: This product contains natural rubber latex which may cause allergic reactions. Caution: Use care around machinery and moving parts to defect or imperfections. You must assess your actual workplace conditions, or contact your safety professional, to determine if this glove is appropriate. Test results relate to glove palm only. Overall classification does not necessarily reflect the performance of EN420:2003+A1:2009 as they are intended for applications requiring palm protection where the need for a shorter glove outweighs the need for additional length. Store in a cool dry place. When stored as recommended, will not change mechanical properties. Inspect gloves before use; do not wear if damaged. Ⓜ Il s'agit d'un EPI de catégorie II certifié conforme au Règlement (UE) 2016/425. RISK: Nämä käsineet antavat suojan mekaanisia vaaroja vastaan. Avertissement : Ce produit contient du latex de caoutchouc
