O/Re. DO/ Notification on Food Contact 15.1325 from 31/05/2016

RESPECT OF FOOD CONTACT REQUIREMENTS

Product: Tissue PM2 for food contact application

This notification is based on:

- The requirements on purity given by **French guidelines on Paper and Board** from DGCCRF (Direction Générale de la Consommation, de la Concurrence et de la Répression des Fraudes) and the **German BfR Recommendation XXXVI**
 - For **recycled fibres** based paper such as this sample
 - For contact with **dry, wet and/or fatty foodstuffs**, for short contact time and temperature up to 40°C
- The absence of substances subjected to restriction given by your suppliers,
- The sample taken and provided by SCA TISSUE, referenced **Tissue Snack White 19 g Article number ST081425 produced on Machine n° 2 / SCA Tissue France Hondouville Bob. 1611C0401 from 15 March 2016.**

The received product was tested according to the standards methods for testing papers and boards intended to come into contact with foodstuffs and recommended by the texts above mentioned. The results of performed analyses are presented in the test reports 15.1325/2En and 15.1325/3En issued from May 2016.

Moreover, a sensory test was carried out (see test report 15.1325/1En): the median score 0 was obtained, that means that no irrelevant off-flavour was perceived and transferred by the sample to the food simulant (milk chocolate).

Using the elements above mentioned, the purity criteria checked on the provided product can be considered in accordance with the requirements given by **French guidelines on Paper and Board** from DGCCRF and **BfR Recommendation XXXVI** for an end-use of the referenced product in contact with **dry, wet and/or fatty** foodstuffs in normal and foreseeable conditions of use, short contact time at room temperature less than 40°C.

The present notification is valid **from May 2nd, 2016** as long as no modification comes to affect the elements according to which it has been established and this for 5 years maximum. It may be used for the writing of your declaration of compliance for food contact application.
